

## Thank You For Your Continued Business

While we understand the past several months have been a challenge for many people, we want you to know that we care about our clients - both personally and professionally. We hope that you and your families are safe and healthy, and you are able to enjoy your summer.

We will continue to send out our newsletters whenever we have pertinent information we feel would benefit our clients. As you navigate through the remainder of this unprecedented year, please feel free to reach out to any of our staff if you have any tax-related questions, or require additional information on one of our newsletter topics.

Thank you for your continued business.
