CARES Act (Coronavirus Aid, Relief, and Economic Security Act) Stimulus Payment

The IRS recently announced that some stimulus payments may be sent on a Prepaid Debit Card rather than a paper check. Per the IRS: If you receive an Economic Impact Payment Card, it will arrive in a plain envelope from "Money Network Cardholder Services." The Visa name will appear on the front of the Card; the back of the Card has the name of the issuing bank, MetaBank®, N.A. Information included with the Card will explain that the card is your Economic Impact Payment Card. Please go to [EIPcard.com](https://www.eipcard.com) for more information.

For detailed information about the Economic Impact Payments under the CARES Act, please visit <https://www.irs.gov/coronavirus/economic-impact-payment-information-center> as the IRS has added more questions and answers.
